***Chapter 1*: golden sun class style the right way**

Hi gcc here. I just got really bored one day and couldn't think of anything

else to right so I wrote this. Yes this is my class I am using.

They may

not fit the characters but I had to put them in here

somewhere

Some random kid: oh so that's why we are all in this empty with space.

Gcc: yes frank that is why

Frank: yay

Gcc: on with the story. Oh wait frank will you do the honors...?

Frank: what honors?

Nina: the honors of the... uh Mitchell can I do it?

Gcc (Mitchell): go ahead

Nina: Mitchell does not own golden sun (cameolot and Nintendo own it) nor

does he own any of us or that stupid pokemon commercial stuck in his head

or any of the sonic heroes theme songs and school of rock and romane songs

that that he sings to me by the moonlight.

Gcc: (blushing) Hey! I do not sing it to you by the moonlight I just sing

it cause I like it, none of the moonlight crap.

Nina: is that your final answer

Gcc: eh hh (aw geez I really just wanna hit her with rargonok but I can't

cause I aw dang... NINA get outta my head before I ...)

Nina: fore ya what?

Gcc: aww drat (I forgot I was bound by my promise not to hurt a girl)

Nina: oh since when

Gcc: (also luckily she doesn't know that I have a crush on her)

Nina: oh soo that's why you said that...

Gcc: drat

Lord seth: mitch and nina sittin in a tree kissin

Mitch: grr rargonok!!!!

Lord: first come love then come ow!!!

Mitch: meheheheh

Lord: crap

Mitch: hey nina do you know uh shine plasma

Nina: duh!

Mitch:...

Allison: you bet she does

Mitch: what are you doing here jenna?

Allison: lay off mitch beside we aren't doing the story yet so you can just

use my name

Mitch: sorry Allison (too bad she doesn't know I kinda have a small crush

on her)

Nina: *whispers into Allison's ear*

Allison: *girl scream*

Mitchell: (well that's one way to find out) how much can I bribe you to not

blab a word of this to anyone?

Nina: you think we'd stoop that low

Mitchell: *whispers into nina ear*

Nina: *screams* *whispers into allison's ear and she screams*

Allison: I accept that term

Nina: count me in

Mitch: perfect

(terms: sit on the sideline of the story with me and have the special co author power that well co authors get.)
